## Generali Berlin Half Marathon - 04-Apr-2027

The Generali Berlin Half Marathon is one of the world's premier half marathons, with a rich history that reflects the story of Berlin itself. Before German reunification, East and West Berlin each hosted their own races—the East Berlin Peace Run and the West Berlin Half Marathon. Following the fall of the Berlin Wall, the two events merged in 1990 to create the race known today. Since then, it has grown into one of the largest and most prestigious half marathons globally, attracting elite athletes and thousands of runners each year. The course finishes just beyond the iconic Brandenburg Gate, delivering an unforgettable race-day experience.

The Generali Berlin Half Marathon is also part of the SuperHalfs series, a unique challenge that combines world-class racing with unforgettable travel experiences. The series includes six celebrated half marathons across Europe. Runners who complete all six races earn the coveted SuperMedal, making it the perfect challenge for those looking to explore Europe's most iconic cities while chasing an extraordinary running achievement.
